2.00 \$ Price:

2001 Chevrolet Impala, red, 4 door, 3.4 liter v6 engine. Cars runs great! There is a wire that is wired wrong pulling power from the battery, it has ti be jumped off but ut will drive anywhere. I drive it once a week. The mechanics say quick and cheap fix, i am selling as is due ti recent health issues. I really hate to sell this car. It is a steal of a deal! 2,500.00.
